In addition to the room rate, there is a room tax, currently 10%. Check-in time is 3:00 p.m. and check-out time is 12:00 noon. Guests are permitted to check-in earlier or check-out later subject to room availability.

Attendees are encouraged to make reservations early as these special room rates are subject to room availability and are not valid for reservations made after October 1, 1999. (Once our block of special rate rooms are filled, other rates may apply).

To make your hotel reservation, please do one of the following:

- Phone the hotel directly at: 800-720-0059. Please be sure to mention the Vis '99 conference. This is the hotel's preferred reservation method.
- Complete the following hotel registration form and send it to the hotel by mail or fax using the address given on the form.

The hotel policy is to release a room after 4:00 p.m. unless the reservation has been guaranteed for the amount of one night's rate plus applicable tax. Guaranteed reservations are held until at least 6:00 a.m. the following morning; at which time the reservation and deposit are forfeited. Advance deposits will be refunded if the reservation is cancelled prior to 4:00 p.m. on the arrival date.

NOTE: Please sign up at the conference hotel. We understand that you are all on a budget, but so are we. We need your hotel room reservations in the Vis '99 block at the conference hotel, or else the conference has to pay extra for the conference room rental. Because we have a heavy AV requirement, we have to book a hotel that has large conference rooms and high ceilings. There aren't many of those who will book a small conference like ours. Please help us out by supporting the conference hotel. We don't want to have to raise our rates to cover hotel penalties.
